Fusion Blue

Fusion Grey

Industrial style, botanical, fusion, ethnic or handmade. The Arthur Krupp table is in perfect synergy with the location and the surrounding ambience. A wide range of items to enhance Mix & Match and unique interpretation of the chef and your host.

Industrial style, botanica, fusion, etnica o ancora in perfetto stile handmade. La tavola Arthur Krupp diventa un tutt'uno con l'ambiente circostante, aprendosi al Mix & Match e ad abbinamenti unici. Un'ampia gamma al servizio della visione dello chef o di chi vuole accogliere gli ospiti al meglio.

- Trendy textures and shades with a strong aesthetic effect.
- Great for Mix & Match and creative settings for different styles, mood and locations.
- Cutting-edge processing: total glaze enamelling, application of relief and decoration for a three-dimensional effect that combines tactile and visual sensations.
- Decorations and colours typical of stoneware are shown on the porcelain, for a material effect that keeps the warm style of ceramics, while offering the strength and quality resulting from high temperature firing.
- Dishwasher safe.

- Texture e sfumature di tendenza, dal forte impatto estetico.
- Ideali per il Mix & Match e abbinamenti creativi con stili, ambienti e mood diversi.
- Una lavorazione all'avanguardia: smaltatura total glaze, applicazione del rilievo e decorazione per un effetto tridimensionale che associa sensazioni tattili e visive.
- Decori e colorazioni tipici del gres sono riportati sulla porcellana, per un effetto materico che mantiene lo stile caldo della ceramica, offrendo al contempo la robustezza e la qualità derivante da una cottura ad alta temperatura.
- Lavabili in lavastoviglie.

ARTHUR KRUPP MILLS - MACINE

NOVELTIES - NOVITĀ - NEUHEITEN - NOUVEAUTĒ - NOVEDADES

Arthur Krupp mills are born from the collaboration of Arcturus with experts in seasoning for over 25 years. All products are designed and manufactured with commitment to flavor backed up with the best attention to the quality of products and performance of the mechanisms. Whether it is salt or pepper, often a few grains have the power to enrich and bloom the soul of a dish. The range is enriched with new colors and models.

Le macine Arthur Krupp nascono dalla collaborazione di Arcturus con professionisti del gusto con un'esperienza di oltre 25 anni. Tutti i prodotti sono progettati e realizzati con l'impegno per il sapore supportato dalla massima attenzione per la qualità dei prodotti e alle prestazioni dei meccanismi. Sale e pepe sono gli ingredienti base per arricchire i nostri piatti. Grazie alle macine possiamo tritarli quando ci servono assicurandoci così che conservino freschezza e aroma. La gamma si arricchisce di nuovi colori e modelli.

SPECIAL MILLS - TOP GRINDING WITH GRIND SELECT FUNCTION

TOP GRINDING MILLS - Stainless Steel with acrylic spice chamber. The mechanism is located in the upper part to leave countertops free of residue, no mess. They also feature a grind select function with 5 settings for pepper and 3 for salt allowing quick and accurate changes from fine to coarse grinds. Select a fine grind for a big punch in sauces or soups or effortlessly switch to a more coarse grind for a more subtle but longer lasting taste, great for salads or steaks. As all Arthur Krupp mills they feature sharp ceramic mechanisms in the salt mill and carbon steel mechanism in the pepper mill.

MACINE INVERSA - Acciaio inox con serbatoio spezie in acrilico. Il meccanismo è collocato nella parte superiore. I piani di lavoro saranno sempre puliti, privi di residui di macinatura. Sono inoltre dotate di una funzione di preselezione della grana di macinatura con 5 impostazioni per il pepe e 3 per il sale che consentono cambi rapidi e precisi dalla grana fine a quella grossolana. Selezionate una macinatura fine per salse o zuppe per passare rapidamente senza fatica a una macinatura più grossolana per un gusto più deciso e persistente, ottimo per insalate o carne. Come tutte le macine Arthur Krupp, sono dotate di meccanismo in ceramica per il sale e in acciaio al carbonio per il pepe.

SPECIAL MILLS - 2-IN-1 SALT & PEPPER

2-IN-1 MILL - Stainless Steel with acrylic spice chamber to show when needs a refill. Adjustable grind mechanisms to change coarseness of the salt or pepper. Ceramic grinding mechanism for both salt & pepper chamber. This dual mill boasts a compact design which is ideal for those with limited storage and living space. Extremely easy to operate by turning the mill clockwise for pepper and anticlockwise for salt.

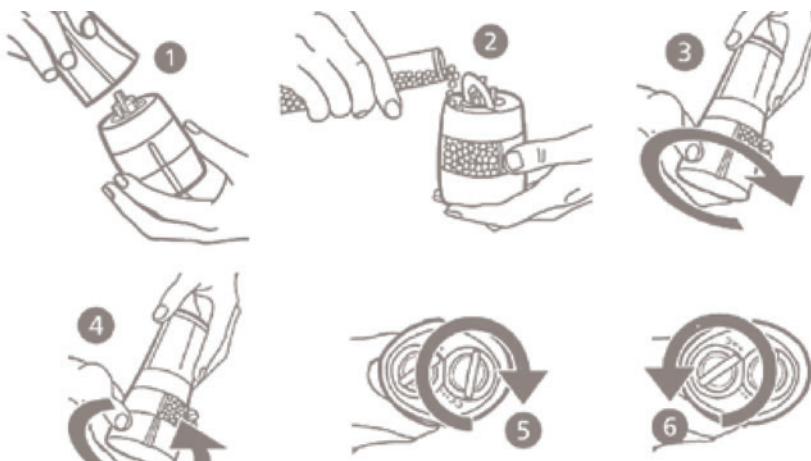

2-IN-1 - Acciaio inox con serbatoio spezie in acrilico per visualizzare quando è necessaria la ricarica. Macinatura regolabile per modificare la grana del sale o del pepe da fine a più grossolana. Meccanismi in ceramica. Questa doppia macina vanta un design compatto, ideale per chi ha poco spazio in cucina e sui tavoli. Estremamente facile da usare, ruotare in senso orario per il pepe e in senso antiorario per il sale.

EVA TABLE MATS

ARTHUR KRUPP

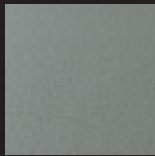

To dress your tables elegantly both indoors and outdoors. Timeless shades, metallic and unique styles for a luxurious finish. To ensure that table surfaces are protected from scratches, leaks and heat. Simple maintenance, they can be cleaned with a damp cloth and neutral detergent without the use of special products. Made of EVA (Ethylene Vinyl Acetate) a plastic material based on polyethylene. It is obtained through a process of co-polymerization of ethylene with vinyl acetate, hence the name EVA. Its fully closed cell structure guarantees its complete impermeability to water, has thermal insulating characteristics, strong elasticity and high softness. Among the advantages it cannot be attacked by fungi and bacteria, it is hypoallergenic and non-toxic.

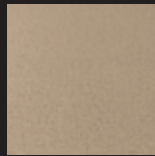

Per vestire i vostri tavoli in maniera elegante sia all'interno che in esterno. Tonalità senza tempo, stili metallici e unici per una finitura lussuosa. Per garantire che le superfici dei tavoli siano protette da graffi, perdite e calore. Manutenzione semplicissima, si puliscono con un panno umido e detergente neutro senza l'uso di prodotti appositi. In EVA (Etilene Vinil Acetato) un materiale plastico a base di polietilene. Si ottiene attraverso un processo di co-polimerizzazione dell'Etilene con Acetato di Vinile, da qui il nome EVA. La sua struttura a celle completamente chiuse ne garantisce la completa impermeabilità all'acqua, ha caratteristiche termoisolanti, forte elasticità ed una elevata morbidezza. Tra i vantaggi dell'EVA l'inattaccabilità da parte di funghi e batteri, è anallergico ed atossico.
